Part 1: Privacy Policy

Interpretation and Definitions

Interpretation

The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in plural.

Definitions

For the purposes of this Privacy Policy:

- **Application means the software program provided by the Developer downloaded by You on any electronic device, named no touch.**
- **Developer (referred to as either "the Developer", "I", "Me", "We" or "Our" in this Agreement) refers to the independent developer of no touch.**
- **Country refers to: Taiwan.**

- **Device** means any device that can access the Service such as a computer, a cellphone or a digital tablet.
- **Personal Data** is any information that relates to an identified or identifiable individual.
- **Service** refers to the Application.
- **Service Provider** means any natural or legal person who processes the data on behalf of the Developer. It refers to third-party companies or individuals employed by the Developer to facilitate the Service (such as advertising service providers).
- **You** means the individual accessing or using the Service, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

- **Personal Data:** We do not collect or require any personal data, registration, or user accounts.
- **Local Data Storage:** All settings and data are stored exclusively on the local device. All app configurations, preferences, and schedules remain locally on your device and are never transmitted to any external cloud servers.

- **Usage Data:** We do not collect usage data. We do not track your IP address, browser type, pages visited, visit time/date, or other diagnostic data through our own servers.

Third-Party Services & AdMob Advertising

Our application uses Google AdMob to display advertisements. AdMob may automatically collect certain device information and identifiers to provide relevant ads.

- **Data Collected by AdMob:** AdMob may use device identifiers (such as Advertising ID), IP addresses, and non-personal diagnostic data to serve ads.
- **Personalized vs. Non-Personalized Ads:** Depending on your region and device settings, AdMob may serve personalized or non-personalized advertisements. You can manage your ad preferences through your Google account or device settings.
- **For more information on how Google uses data when you use our app,** please visit: [Google's Privacy & Terms](#).

Disclosure of Your Personal Data

- **Business Transactions:** If the Developer is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred (though no personal data is collected or stored on servers).
- **Law Enforcement:** Under certain circumstances, the Developer may be required to disclose Your Personal Data if required to do so by law or in

response to valid requests by public authorities.

- **Other Legal Requirements:** The Developer may disclose Your Personal Data in the good faith belief that such action is necessary to comply with a legal obligation, protect and defend the rights or property of the Developer, prevent or investigate possible wrongdoing in connection with the Service, or protect the personal safety of Users of the Service or the public.

Security of Your Personal Data

The security of Your Data is important to Us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect your data, We cannot guarantee its absolute security.

Children's Privacy

Our Service does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from anyone under the age of 13. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us.

Links to Other Websites

Our Service may contain links to other websites that are not operated by Us. If You click on a third party link, You will be directed to that third party's site. We strongly advise You to review the Privacy Policy of every site You visit. We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Changes to This Privacy Policy

We may update Our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on this page. We will let You know via notice on the Service prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy.

Part 2: Terms of Service

By downloading or using the no touch app, these terms will automatically apply to you.

1. License & Usage

- no touch is provided to you as a free, anti-touch and screen-locking tool for personal use.**
- You are not allowed to copy, modify, or extract the source code of the app.**

2. Disclaimer of Warranties

- The app is provided "as is" without warranty of any kind, express or implied.**
- Because certain features rely on Android system permissions (such as Full-Screen Intents, Notifications, and Overlay permissions), we do not guarantee that the app will function without interruption on every customized Android OS or manufacturer device.**

3. Limitation of Liability

- The developer shall not be held liable for any direct, indirect, or incidental damages resulting from the use or inability to use the app (e.g., missed schedules due to strict system battery restrictions).

Part 3: Contact Us
